SURPLUS STOCK

—FROM—

The Huntsville Wholesale Nurseries

HUNTSVILLE, ALA.

**Shipments from St. Louis, Mo., Rochester, N. Y.
and Philadelphia, Pa.,**

—AT—

ONE DAY'S NOTICE

WE have for the past thirty-two years offered in assorted lots in Spring such stock as we had in surplus. Herein is a schedule of what we now have in St. Louis, Rochester and Philadelphia for immediate shipment. The stock is exclusively of our own growing at Huntsville, Alabama, fresh dug this Spring, packed in the best manner and warranted in fine condition. Everything is fine of the grade, with full fibrous roots, and not culled, as we adhere to a strict system of grading.

BELOW THE BLIZZARD LINE

Everything is bright, green and fresh—sound to the tips. Nearly all the sorts offered are standard sorts, such as most nurserymen can use in assortment with their own growing. Orders should be sent in as soon as possible, but the stock need not be shipped until wanted, as we are prepared to hold it in good condition. We have nothing for sale not offered in this list.

It will be noticed by some of our correspondents that we have refused orders the past season for several articles listed. Our fear of overselling and some countermands are responsible for this. We ask attention to the small-sized trees offered for transplanting into nursery rows. All of the small trees, as well as the large ones, are nicely rooted, and everything is young, smooth and bright.

We can refer to nurserymen who have bought of us in every State and Territory. We can give satisfaction, and guarantee it for these shipments.

TERMS; Cash with order, or 30 to 60 days from date of shipment to responsible, prompt-paying parties. In box lots the price of boxes is included, but the price of boxes on orders from the nurseries is extra.

For convenience in telegraphing a cipher is given. The cipher word stands for one box only in cases where there are more than one in the same assortment.

Heikes--Huntsville--Trees.

Address **HUNTSVILLE WHOLESALE NURSERIES, Huntsville, Ala.** We will not have a representative in St. Louis this Spring. All letters and telegrams should be addressed to Huntsville Wholesale Nurseries, Huntsville, Ala. We have arranged with the Cold Storage Houses in St. Louis, Rochester and Philadelphia where our stock is stored to ship promptly everything upon our orders, which we will make by telegraph when quick shipments are desired.

Use the Nurserymen's Telegraphic Code in telegraphing. Any one not in possession of a copy will be supplied upon application.

ASSORTED LOTS

We offer the following assortments in box lots at low prices to insure quick sales. We do not open or repack anything. The stock is of the same quality as that sent out by us heretofore. Each box contains an assortment as shown. In ordering one or more boxes, should the particular lots desired be sold, state what substitution will be allowed. The prices quoted include the price of boxes and freight from Huntsville to St. Louis, Rochester and Philadelphia. When the postoffice address and the railroad station differ, always give explicit marks for the boxes when writing.

PERFECT DORMANT CONDITION

Our stock is in perfect dormant condition, and we are prepared to keep it so until the end of the season, as everything is now in cold storage.

INSPECTOR'S CERTIFICATE

Our card with Inspector's Certificate is placed on all boxes and packages. Any one ordering from a State where more than this is required should inform us in ample time to comply with the law. Should any one desire this card removed before shipping, it should be stated in the order.

FREQUENT BULLETINS

We shall issue Bulletins from Huntsville frequently during March and April. Any one failing to receive them regularly will please write for copies.

FREEZING WEATHER

There is always more or less danger of trees being caught en route in freezing weather in Spring. We pack in such a manner that should the contents of the boxes freeze solid on the way to our customers the trees will receive no injury if the frost is allowed time to come out before the trees are removed from the boxes. The trees should be taken from the boxes as soon as frost is out, or should there be no frost in the boxes when received, the trees should be removed from the boxes immediately upon arrival. We practice in this respect what the experience of many years has taught us. If our customers will follow these rules and notify us of the condition of the trees at once when taken from the boxes we will guarantee good condition. Notice should be sent to us at once by telegraph, at our expense, if there is any cause of complaint or should the trees be refused, stating reasons. The trees will be considered accepted if removed from the boxes in which they are packed.

TERMS AND CONDITIONS

For further terms and conditions concerning risk of transportation, claims, etc., see our regular Price List.

KUDZU VINE.

We are offering about 20,000 first-class plants of the Kudzu Vine (*Pueraria Thunbergiana*) grown by us this year from imported seed. The roots will average a foot in length and the stems from 4 to 5 feet.

The Kudzu Vine is hardy, grows with remarkable rapidity—from 40 to 60 feet in a single season after the root is well established—and its foliage, consisting chiefly of very large leaves, is luxuriant and healthy. It is now being extensively planted both in the North and South to cover arbors and verandas. In the North the plant dies to the ground in the winter.

PRICES :—\$25.00 per M in 500 lots, and \$40.00 per M in smaller lots.

NURSERYMEN'S CALIPER— $\frac{2}{3}$ SIZE.

This is the most practical Caliper in use for grading trees. It is made of steel brass handsomely nickel plated. It answers also as a rule. Its length is exactly six inches and its width two inches. Price 65 cents each; 6 for \$3.60; 12 for \$6.00. Postage or express to be added. For sale by dealers in nurserymen's requisites, or orders may be sent direct to
